# GREETING & HOLIDAY CARDS

## GREETING AND HOLIDAY CARDS

Our cards are printed on photographic paper and are 4"x8". A 4"x6" image will fit perfectly into the image area, all other sizes will be cropped. Imprinting is also available. A standard Windows font is used unless otherwise specified. Please see the "Greeting Card Catalog" in the "Downloads" section of our website for all available cards. Card orders include envelopes for the cards and an attractive box to put them in.
